MINISTRY OF FINANCE, ECONOMIC GROWTH, JOB CREATION,
EXTERNAL AFFAIRS AND THE PUBLIC SERVICE

Department of the Public Service

Circular #: 5/2020

FROM : Permanent Secretary
TO : Permanent Secretaries
Heads of Departments
DATE : March 12, 2020

SUBJECT : CALL FOR TRAINERS AND FACILITATORS

The Department of the Public Service is dedicated to transforming the Public Service into an efficient Government machinery run by well-trained and engaged professionals who are dedicated to excellent service delivery. To achieve that reality, the Training Division is tasked with the responsibility of providing that cadre of professionals through the development of learning initiatives aimed at filling skills and competency gaps among Public Officers.

In the context of scarce resources and to ensure sustainability, the Training Division has recognized the need for collaboration and the pooling of resources in order to fill those gaps. By approaching this mammoth task with a combined effort, we *can* transform the public service to achieve excellence. Together, we can make a difference!

To this end, the Training Division has decided to create a Government Trainers Directory which will include a list of experienced and well-qualified Public Officers who have volunteered to serve as Government Trainers and Facilitators for training and development initiatives hosted by the Training Division. These elite Public Officers will have the privilege of participating in the Training Division's first Train-the-Trainer programme which will be designed and conducted specifically for them.

We are therefore inviting Public Officers to indicate their interest in being featured in the Government Trainers Directory by completing a short survey which can be accessed at <https://www.surveymonkey.com/r/CSP8NBC>.

At the end of the survey, which is **28th August 2020**, the Training Division will contact respondents for further information regarding registration for inclusion in the Directory.
