PRESS RELEASE

**2026 PEC-G GRADUATE SCHOLARSHIP PROGRAM FEDERATIVE REPUBLIC OF
BRAZIL**

The Embassy of the Federative Republic of Brazil announces the release of information regarding the 2026 edition of the Exchange Program for Graduate Students (PEC-G).

This program offers full Masters and PhD scholarships at Brazilian Higher Learning Institutions to professors, researchers, professionals and graduates from developing countries that maintain Educational, Cultural, Scientific and Technological Cooperation Agreements with Brazil. Its objective is to enhance the qualifications of scholarship recipients, thereby enabling them to make greater contributions to the development of their native countries.

The details of the aforementioned program can be accessed on the following website: <https://www.gov.br/capes/en/access-to-information/actions-and-programs/scholarships-and-students/international-cooperation-programs/multinational/post-graduate-student-covenant-program-pec-pg>

Should you have any queries, or require assistance with application for this programme, please contact Mrs. Chantel Mathurin-Pamphile, at telephone number 468-4567 or via email address chantel.phamphile@govt.lc.

The deadline to apply for this scholarship is **Monday, September 29, 2025**.
