PRESS RELEASE

Regional Outreach – Western Illinois University (WIU) and Other Universities in the United States of America (USA) and Canada

The Department of Education, Innovation and Vocational Training and Sir Arthur Lewis Community College (SALCC) will be engaging in an outreach programme with Western Illinois University (WIU) and other Universities of the United States of America (USA) and Canada. The outreach programme aims at providing scholarship opportunities to Saint Lucians.

The outreach is for undergraduate and graduate study opportunities (Online & In-Person).

Programme Objective:

- Meet and discuss options with international Directors
- Obtain information on admission, scholarships, and graduate funding processes.

Target Groups:

- Young teachers
- Persons thinking of a start to their next degree

The following universities will be part of the session:

- University of Guelph – Ontario, Canada
- Murray State University
- Southeast Missouri State University
- SUNY Brockport
- St. George's University School of Medicine
- Western Illinois

Date, Time and Place:

- Wednesday, 19th June, 2024 - 1:00pm –SALCC Innovation Hub, Room 2, Morne Fortune Castries, Saint Lucia.

All interested persons are invited to attend this in-person session.
