

REQUEST FOR PROPOSALS

Operationalizing Gender and Climate Budget Tagging within Saint Lucia's Finance Management System

KEY ACTIVITIES:

The selected firm will:

- Design, pilot, and operationalize a comprehensive Climate and Gender Budget Tagging system.
- The selected firm will validate the tagging methodology, build capacity among stakeholders, and integrate the system into the government's budgeting IT framework.

DEADLINES:

- The project is expected to be completed within **9 months** from contract signing, with a tender submission deadline of **3 March 2026**.
- Clarification requests must be submitted by **24 February 2026**. Interested parties should register in the GGGI e-Green Procurement Portal to access documents and submit proposals-

<https://in-tendhost.co.uk/gggi.aspx/ProjectManage/2025>

HOW TO OBTAIN THE DOCUMENTS:

- Access documents via the GGGI e-Green Procurement Portal by selecting 'View Details' on the relevant notice and clicking the 'Tender Application' button. New suppliers must register, while existing users can log in.
- Refer to the Supplier Guidance section on the portal for detailed instructions on accessing and managing tender documents.
