Press Release – 11th November 2015

Laborie Village Road Rehabilitation Gets Underway

Motorists and Residents of Laborie are advised that road rehabilitation works along the La Croix Road and Martin Luther King Street in the Laborie Village are currently ongoing. These works would also entail replacing WASCO pipelines.

These works are likely to continue for approximately two (2) months duration. During that period, traffic flow will be impeded along these roads, and therefore motorists are asked to pay attention to traffic signs.

The Ministry of Infrastructure, Port Services and Transport apologises for any inconveniences that may be caused to residents and the motoring public.

Allison A. Jean (Mrs.)
Permanent Secretary
