

Saint Lucia

CHAMBER OF SHIPPING

WHO WE ARE

The unified voice of Saint Lucia's shipping and maritime industry, strengthening collaboration and advocating for the sector.

Through active engagement with government and international partners, we support legislative development, promote innovation, and drive sustainable growth across the maritime industry.

**"Advancing
Maritime
Excellence"**

WHY YOU SHOULD JOIN US

- ✓ Contribute to maritime policy dialogue
- ✓ Stay informed and competitive
- ✓ Access key industry networks
- ✓ Collaborate for growth
- ✓ Enhance your credibility & visibility

WHAT WE DO

Advocate for the industry

Represent members in discussions with government and port authorities, to shape effective policies and operational frameworks

Build Industry Connections

Create platforms, forums and events that connect local, regional and international maritime stakeholders

Champion Sustainable Shipping

Promote environmentally responsible practices and policies that ensure long-term resilience of Saint Lucia's maritime sector

Support Professional Growth

Deliver training, workshops, and knowledge-sharing initiatives to raise industry standards and service excellence
